Governing Board Meeting Procedure

2:220-E1 Exhibit - Board Treatment of Closed Meeting Verbatim Recordings and Minutes

The following procedures govern the verbatim audio recordings and minutes of School Board meetings that are closed to the public.^{C1}

Actor	Action
<i>Before any Board meeting:</i> Superintendent or designee	Arranges to have an audio recording device with adequate storage capacity and a back-up audio recording device in the Board meeting room during every Board meeting regardless of whether a closed meeting is scheduled. The Board may close a portion of a public meeting without prior notice; it cannot, however, have a closed meeting unless it can record the session.
<i>Before a closed meeting:</i> Board President or presiding officer (#3 and #4 may be delegated to the Board Secretary or Recording Secretary)	On the closed meeting date: (1) convenes an open meeting, (2) requests a motion to adjourn into closed meeting making sure the reason for the meeting is identified in the motion, (3) takes a roll call vote, (4) ensures that the minutes record the vote of each member present and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting (5 ILCS 120/2a), and (5) adjourns the open meeting.
<i>Before a closed meeting:</i> Superintendent or Board Secretary	Immediately before a closed meeting, tests and activates the audio recording device.

<i>During a closed meeting:</i> Board President or presiding officer	Convenes the closed meeting stating: Seeing a quorum of the School Board gathered today, <i>[state the date]</i>, at <i>[state the time]</i>, at ____ location, for the purpose of holding a closed meeting in order to confidentially discuss ____, I call the meeting to order. To record who is present, I request that each individual state his or her name and position with the District, and whether you are in person or participating remotely by audio or video conference. (Note: This script is an example.) Limits discussion to the topics that were included in the motion to go into a closed meeting. The failure to immediately call a person out-of-order who strays from the purposes included in the motion may result in an appearance of acquiescence. This responsibility to call a person out-of-order falls on each Board member in the event of the President's failure. Once the closed meeting is finished, announces a return to an open meeting or adjournment, and states the time.
<i>After a closed meeting:</i> Superintendent, Recording Secretary, or Board Secretary	For Verbatim Recordings: Takes possession of the recording of the closed meeting and labels it with identification information, specifically the date and items discussed. Adds the identification information contained on the recording's label to a cumulative list of closed meeting recordings. As soon as possible, puts the recording of the closed meeting in the previously identified secure location for storing recordings of closed meetings. Upon request of a Board member: 1. Provides access to the verbatim recording at a reasonable time and place without disrupting District operations; 2. Supervises the access to the verbatim recording or delegates it to one of the following individuals in the District: a. The Recording Secretary,

	b. The Superintendent or designated administrator, or c. Any elected Board member; and 3. Logs the access to the recordings in exhibit 2:220-E7, <i>Access to Closed Meeting Minutes and Verbatim Recordings</i>. For Closed Meeting Minutes: Prepares written closed meeting minutes that include: • The date, time, and place of the closed meeting • The Board members present and absent • A summary of discussion on all matters proposed or discussed • The time the closed meeting was adjourned Upon request of a Board member: 1. Provides access to the closed session minutes at a reasonable time and place without disrupting District operations; 2. Supervises the access to the closed session minutes or delegates it to one of the following individuals in the District: a. The Recording Secretary, b. The Superintendent or designated administrator, or c. Any elected Board member; and 3. Logs the access in exhibit 2:220-E7, <i>Access to Closed Meeting Minutes and Verbatim Recordings</i>.
<i>After a closed meeting:</i> School Board	Approves the previous closed meeting minutes at the next open meeting.
<i>In preparation for the semi-annual review:</i> Superintendent or designee	Every six months, prepares a recommendation concerning the continued need for confidential treatment of all of the Board's closed meeting minutes; includes this recommendation in the packet for the meeting in which the Board will conduct its semi-annual review. This step is in preparation for the Board's meeting to decide whether the need for confidential treatment of specific closed meeting minutes continues to exist.

	If the Board wants to discuss closed meeting minutes in closed session, places "review of unreleased closed meeting minutes" on a closed meeting agenda. Places "result of Board's review of unreleased closed meeting minutes" as an item on a subsequent open meeting agenda.
<i>In preparation for the semi-annual review:</i> Individual Board members	Before the meeting in which the Board will conduct its semi-annual review, examines the material supplied by the Superintendent. Individual Board members should consider: (1) the Superintendent's recommendation, (2) the recommendation of the Board Attorney, (3) other Board members' opinions, (4) the minutes themselves, and/or (5) whether the minutes would be exempted from public disclosure under the Illinois Freedom of Information Act.
<i>During the semi-annual review:</i> School Board	The Board decides in open session whether: (1) the need for confidentiality still exists as to all or part of closed meeting minutes, or (2) the minutes or portions thereof no longer require confidential treatment and are available for public inspection. The Board may have an earlier meeting in closed session to discuss the continued need for confidential treatment.
<i>After the semi-annual review:</i> Superintendent or designee	Relabels and refiles closed meeting minutes as appropriate.
<i>Monthly:</i> Board President	Adds "destruction of closed meeting verbatim recording" as an agenda item to an upcoming open meeting.
<i>Monthly:</i> School Board	Approves the destruction of particular closed meeting recording(s) that are at least 18 months old and for which approved minutes of the closed meeting already exist.

Logging and Review Process^{C1}

Step 1. The Board Secretary or Recording Secretary maintains a log of the closed meeting minutes that are unavailable for public inspection. The meeting minutes are logged according to the reason the Board held the closed meeting. See exhibit 2:220-E6, *Log of Closed Meeting Minutes*.

Step 2. The Board meets in closed session to review the log of unreleased closed meeting minutes. The Board or Recording Secretary brings a copy of all unreleased closed meeting minutes and, if requested, allows Board members to review the actual minutes. The Board identifies which closed meeting minutes or portions thereof no longer need confidential treatment. Use *Report Following the Board's Semi-Annual Review of Closed Meeting Minutes*, below.

Step 3. 2:220-E8 Exhibit - School Board Records Maintenance Requirements and FAQs

Open Meetings Act^{C1}

The Open Meetings Act (OMA) requires public bodies to “keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording.” 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of 5 ILCS 120/2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of 5 ILCS 120/2.06, as well as OMA requirements pertaining to Board agendas, are included in Board policy 2:220, *School Board Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of 5 ILCS 120/2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to 5 ILCS 120/2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains a protocol for open meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review (every six months, or as soon after as is practicable, taking into account the nature and meeting schedule of the Board). 5 ILCS 120/2.06(d).

Exhibit 2:220-E9, *Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration*, contains a process for compliance with 105 ILCS 120/7(e) when a board is meeting without a physical quorum present at the meeting location during a disaster declaration related to public health concerns.

Local Records Act

The Local Records Act (LRA) provides that public records, including “any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer” must be preserved unless the State Local Records Commission has given permission to destroy those records. 50 ILCS 205/3 and 7. Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Board policy 2:250, *Access to District Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District’s organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:220, *School Board Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding school district records retention protocols and links to web-based record management resources.

Yes, within 30 days or at the next subsequent meeting, whichever is later. <i>A public body shall approve the minutes of its open meeting within 30 days after that meeting or at the public body's second subsequent regular meeting, whichever is later. 5 ILCS 120/2.06(b).</i>	No. Unlike the closed meeting requirement, OMA does not contain semi-annual review requirements for open meeting minutes. If a public body would like to destroy open meeting minutes, then it must comply with the LRA and work with its Local Records Commission. It is highly unlikely, however, that the Local Records Commission would approve of their destruction.

Closed Meeting Minutes

Are we required to approve them?	Must they be semi-annually reviewed?	May we release them to the public?	May we destroy them?
Yes. OMA does not directly state public bodies are required to approve closed meeting minutes, nor does it set a time frame for such approval. However, OMA Section 2.06(d) requires public bodies to meet at least semi-annually to "review minutes of all closed meetings." 5 ILCS 120/2.06(d). Moreover, OMA Section 2.06(c) specifically allows the destruction of closed meeting verbatim recordings only if certain conditions are met, one of which is that "the public body approves minutes of the closed meeting that meet the written minutes requirements of	Yes. <i>Each public body shall periodically meet to review all existing minutes of all prior closed meetings (this includes records from all time that the board has been in existence). Meetings to review minutes shall occur every 6 months, or as soon thereafter as is practicable, taking into account the nature and meeting schedule of the public body. At such meetings a determination shall be made, and reported in an open session that (1) the need for confidentiality still exists as to all or part of those minutes or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection. 5 ILCS 120/2.06(d).</i>	Yes, if prerequisites are met. <i>Minutes of meetings closed to the public shall be available only after the public body determines that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential. 5 ILCS 120/2.06(f).</i>	No. There is no OMA provision permitting the destruction of closed meeting minutes, and they must be preserved unless the State Local Records Commission has given permission to destroy them. subsection (a) of this Section." 5 ILCS 120/2.06(c)(2). Both of these tasks would be difficult to achieve if closed meeting minutes were not first approved. One practice is to approve closed meeting minutes within the same time frame that open meeting minutes are approved – within 30 days of the meeting or at the next subsequent meeting, whichever is later.		<i>from the public body's main office or official storage location, except by vote of the public body or by court order. 5 ILCS 120/2.06(f).</i> If a public body would like to destroy closed meeting minutes, then it must comply with the LRA and work with its Local Records Commission. It is highly unlikely, however, that the Local Records Commission would approve of their destruction.

No. OMA does not require approval of closed meeting verbatim recordings.	No. OMA does not require semi-annual review of closed meeting verbatim recordings.	Possibly but unlikely. <i>Unless the public body has made a determination that the verbatim recording no longer requires confidential treatment or otherwise consents to disclosure, the verbatim record of a meeting closed to the public shall not be open for public inspection or subject to discovery in any administrative or judicial proceeding other than one brought to enforce this Act. 5 ILCS 120/2.06(e).</i> But see <u>Kodish v. Yes, after 18 months if prerequisites are met. <i>The verbatim record may be destroyed without notification to or the approval of a records commission or the State Archivist under the Local Records Act or the State Records Act no less than 18 months after the completion of the meeting recorded but only after: 1.) the public body approves the destruction of a particular recording; and 2.) the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section. 5 ILCS 120/2.06(c).</i> In addition: <i>No verbatim recordings shall be recorded or removed from the public body's main office or official storage location, except by vote of the public body or by court order. 5 ILCS 120/2.06(e).</i>

SECTION 2 - GOVERNING BOARD

2:230 Public Participation at Governing Board Meetings and Petitions to the Board

During each regular and special open meeting of the Governing Board or Board Committee, any person may comment to or ask questions of the Governing Board (*public participation*), subject to the reasonable constraints established and recorded in this policy's guidelines

below.^{C1} The Board listens to comments or questions during public participation; responses to comments to or questions of the Board are most often managed through policy 3:30, *Chain of Command*.

To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President. This includes following the directives of the Board President to maintain order and decorum for all.
2. Use a sign-in sheet, if requested.
3. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to three minutes. In unusual extenuating circumstances, e.g., to accommodate a person's disability or language interpreter, and when an individual has made a request to speak for a longer period of time, the Board President may allow a person to speak for more than three minutes. If multiple individuals wish to address the Board on the same subject, the group is encouraged to appoint a spokesperson.
4. Observe, when necessary and appropriate, the Board President's authority to:
 - a. Shorten the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak; and/or
 - b. Determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

5:185 Family and Medical Leave

Please refer to the applicable collective bargaining agreement.

For employees not covered by this agreement:

Leave Description^{C1}

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act, The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning September 1 and ending August 31 of the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.

2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided in federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, the employee must have been employed by the District for at least 12 months and have been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to

make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

The Director shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation ~~that relates to his or her employment with the District,~~^{C2} the Board or Director or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
 - a. A suspension with pay; or
 - b. A suspension without pay.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, ~~then~~ the employee must repay to the District all compensation and the value of all benefits received by him or her during the suspension. The Director will notify the employee of this requirement when the employee is suspended.

SECTION 7 - STUDENTS

7:345 Use of Educational Technologies; Student Data Privacy and Security

Educational technologies used in the District shall further the objectives of the District's educational program, as set forth in Board policy 6:10, *Educational Philosophy and Objectives*, align with the curriculum criteria in policy 6:40, *Curriculum Development*, and/or support efficient District operations. The Superintendent shall ensure that the use of educational technologies in the District meets the above criteria.^{C1}

The District and/or vendors under its control may need to collect and maintain data that personally identifies students in order to use certain educational technologies for the benefit of student learning or District operations.

Federal and State law govern the protection of student data, including school student records and/or *covered information*. The sale, rental, lease, or trading of any school student records or covered information by the District is prohibited. Protecting such information is important for legal compliance, District operations, and maintaining the trust of District stakeholders, including parents, students and staff.

Definitions

Covered information means personally identifiable information (PII) or information linked to PII in any media or format that is not publicly available and is any of the following: (1) created by or provided to an operator by a student or the student's parent/guardian in the course of the student's or parent/guardian's use of the operator's site, service or application; (2) created by or provided to an operator by an employee or agent of the District; or (3) gathered by an operator through the operation of its site, service, or application.

Operators are entities (such as educational technology vendors) that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes.

Breach means the unauthorized acquisition of computerized data that compromises the security, confidentiality or integrity of covered information maintained by an operator or the District.

Operator Contracts

The Superintendent or designee designates which District employees are authorized to enter into written agreements with operators for those contracts that do not require separate Board approval. Contracts between the Board and operators shall be entered into in accordance with State law and Board policy 4:60, *Purchases and Contracts*, and shall include any specific provisions required by State law.

Security Standards

The Superintendent or designee shall ensure the District implements and maintains reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect covered information from unauthorized access, destruction, use, modification, or disclosure. In the event the District receives notice from an operator of a breach or has determined a breach has occurred, the Superintendent or designee shall also ensure that the District provides any breach notifications required by State law.

Community Relations

Connection with the Community

Public Relations

The Board President is the official spokesperson for the School Board. The Superintendent is the District's chief spokesperson.¹ The Board, in collaboration with the Superintendent or designee, shall plan and implement a District public relations program that will:²

1. Develop community understanding of school operation.
2. Gather community attitudes and desires for the District.
3. Ensure adequate financial support for a sound educational program.
4. Help the community feel a more direct responsibility for the quality of education provided by their schools.
5. Earn the community's goodwill, respect, and trust.
6. Promote a genuine spirit of cooperation between the school and the community.
7. Keep the news media and community accurately informed.

The public relations program should include:

1. Regular news releases concerning District programs, policies, activities, and special event management for distribution by, for example, posting on the District website, using District social media accounts,³ and/or sending to the news media.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ In alignment with the IASB *Foundational Principles of Effective Governance*, the school board president is the board's spokesperson (see sample policy 2:110, *Qualifications, Term, and Duties of Board Officers*) and the superintendent is the district's spokesperson.

² These objectives are examples only and should be customized for each district. The board and superintendent should have a conversation regarding which objectives the board, superintendent, or both the board and superintendent together will implement. An alternative to the entire first subhead follows:

The Board President is the official spokesperson for the School Board. The Superintendent is the District's chief spokesperson. The Board, in collaboration with the Superintendent or designee, shall plan and implement a District public relations program to keep the community informed and build support through open and authentic communications. The public relations program shall include, without limitation, media relations; internal communications; communications to the community; communications to students and parents/guardians; the District website and social media accounts; and other efforts to reach all audiences using suitable mediums.

³ The U.S. Supreme Court case, *Lindke v. Freed*, 601 U.S. 187 (2024), held that a government official's speech on social media is attributable to the government if the official: (1) has actual authority to speak on behalf of the government on a particular matter; and (2) purports to exercise that authority when speaking on social media. If an official's speech on social media is attributable to the government, then the official's social media posts will be subject to scrutiny under the First Amendment. Social media accounts of government officials that are clearly labeled as personal (e.g., "This is the personal page of [insert name]") or with a disclaimer (e.g., "the views expressed are strictly my own") are presumed to contain only personal posts, though that presumption can be challenged depending on the particular facts. *Id.* The Court did not distinguish between elected or appointed government officials and employees, suggesting that the same test would apply to government employees.

2. News conferences, interviews, and official Board or District statements, as requested or needed. The Board President and Superintendent will coordinate their respective media relations efforts. As official spokesperson for the Board, the Board President will communicate on behalf of the Board to the news media and community. Statements made by Board members when not authorized by the Board will be considered personal comments of the Board member, and Board members are encouraged to identify such statements as their personal opinions. Official Board or District statements (other than those made directly to the media) will be made through the District website and/or its social media accounts, at official District events, or through other official communication methods, such as District email or mailings. Individuals may speak for the District only with prior approval from the Superintendent. ⁴
3. Publications having a high quality of editorial content and effective format. All publications shall identify the District, school, department, or classroom and shall include the name of the Superintendent, the Building Principal, and/or the author and the publication date.
4. Other efforts that highlight the District's programs and activities. ⁵

Community Engagement ⁶

Community engagement is a process that the Board uses to actively involve diverse citizens in dialogue, deliberation, and collaborative thinking around common interests for the District's schools. Effective

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

Because those who post on a district's social media accounts typically have authority to speak on the district's behalf, such accounts are likely either *limited public forums* (also referred to as *nonpublic forums*) or *public forums*. See, e.g., *People for the Ethical Treatment of Animals v. Tabak*, 109 F.4th 6272024 WL 3573664 (D.C. Cir. 2024)(finding the National Institutes of Health's (NIH) social media accounts were limited public forums because use of the accounts was limited to discussion of certain subjects; however, the NIH violated the First Amendment when it filtered out comments based on the plaintiffs' viewpoints). Consider that school districts are different than federal government agencies and must ensure other duties to students, e.g., safety and security, which may require excluding certain comments from the district's social media accounts.

For several resources on best practices for school board member social media use, see https://downloads.microseribepub.com/il/press/hosted/Social_Media_Use_for_Board_Members_Resources.pdf.

⁴ See f/n 1, above. This item aligns with sample policy 2:110, *Qualifications, Term, and Duties of Board Officers*, and the board member oath of office in 105 ILCS 5/10-16.5, which requires board members to swear or affirm that they "shall recognize that a board member has no legal authority as an individual and that decisions can only be made by a majority vote at a public board meeting." Making official statements through the district's website and official social media accounts, rather than through personal or "mixed use" accounts is a best practice and a strategy to mitigate First Amendment liability for board members and employees who communicate through social media platforms. Additionally, it is a best practice for board members or employees with social media accounts to clearly label their personal accounts as personal and limit district-related communications to official district accounts. See the *Lindke v. Freed* case, discussed in f/n 3, above.

⁵ Examples of such programs include senior citizens' brunches, realtors' luncheons, and building tours.

⁶ This section is optional. A board that includes this subhead should complete the work necessary to develop and implement community engagement goals. For training resources, see www.iasb.com/conference-training-and-events/training/workshops/reflecting-on-communication-and-community-engagement/ and www.iasb.com/about-us/publications/journal/2022-illinois-school-board-journal/september-october-2022/engaging-with-the-community-%C2%A0a-time-to-reflect-and/.

The community engagement process differs from public relations (discussed in the **Public Relations** section, above) or public polling. Public relations push out information to the community. Public polling pulls information or opinions from the community. While most school districts understand how to push and pull information from their communities, the community engagement process is part of the two-way conversation for school boards that involves listening. Listening should not be limited only to the public comment period during board meetings. It is reaching out to the community and having conversations not only with parents but other community members, and then taking into consideration their thoughts and ideas as boards make their decisions. This method of listening must be purposeful for community engagement to work as intended.

community engagement is essential to create trust and support among the community, Board, Superintendent, and District staff.⁷

The Board, in consultation with the Superintendent, articulates the District's community engagement goals.

The Board will periodically: (1) review whether its community engagement goals(s) are achieving the identified purpose(s) and objective(s); (2) consider what, if any, modifications would improve effectiveness; and (3) determine whether to continue individual tactics.

DRAFT

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁷ These statements are based on IASB's *Foundational Principles of Effective Governance*, principle #2, "The board connects with the community." The first sentence applies the definition of community engagement to a board and its school district. See www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance/.

An alternative introductory sentence that repeats the definition of community engagement follows: "For purposes of this policy, community engagement is the process that school boards use to actively involve diverse citizens in dialogue, deliberation and collaborative thinking around common interests for their public schools."

8:70 Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities and will not be subject to illegal discrimination. When appropriate, the District may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The District will provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, website, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

Individuals with disabilities should notify the Superintendent or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent or designated Title II Coordinator, or by filing a grievance under Board policy 2:260, the Uniform Grievance Procedure.
