

Dear DCE School Board
Thank you for the note
and beautiful plant
that was sent for my
mom's funeral. She was
a neighbor to the high
school and admin office
for over 35 years. Even
when her kids and
grandkids were no longer
in school, she shared

in the excitement of
each first and last
day of school. The
craziness of the parking
lot during the first
heavy snow and the
busses and cars that
would escort our win-
ning teams back to
school. She knew DCE
→

and deeply appreciated

is gratefully acknowledged

Your kind expression of sympathy

was a great school district
from the start and
continued to be proud
of the generations in
the family that
graduated from DCE.

Take care,

Frank Macia L
