

PERFORMING ARTS CENTER Chandelier Campaign

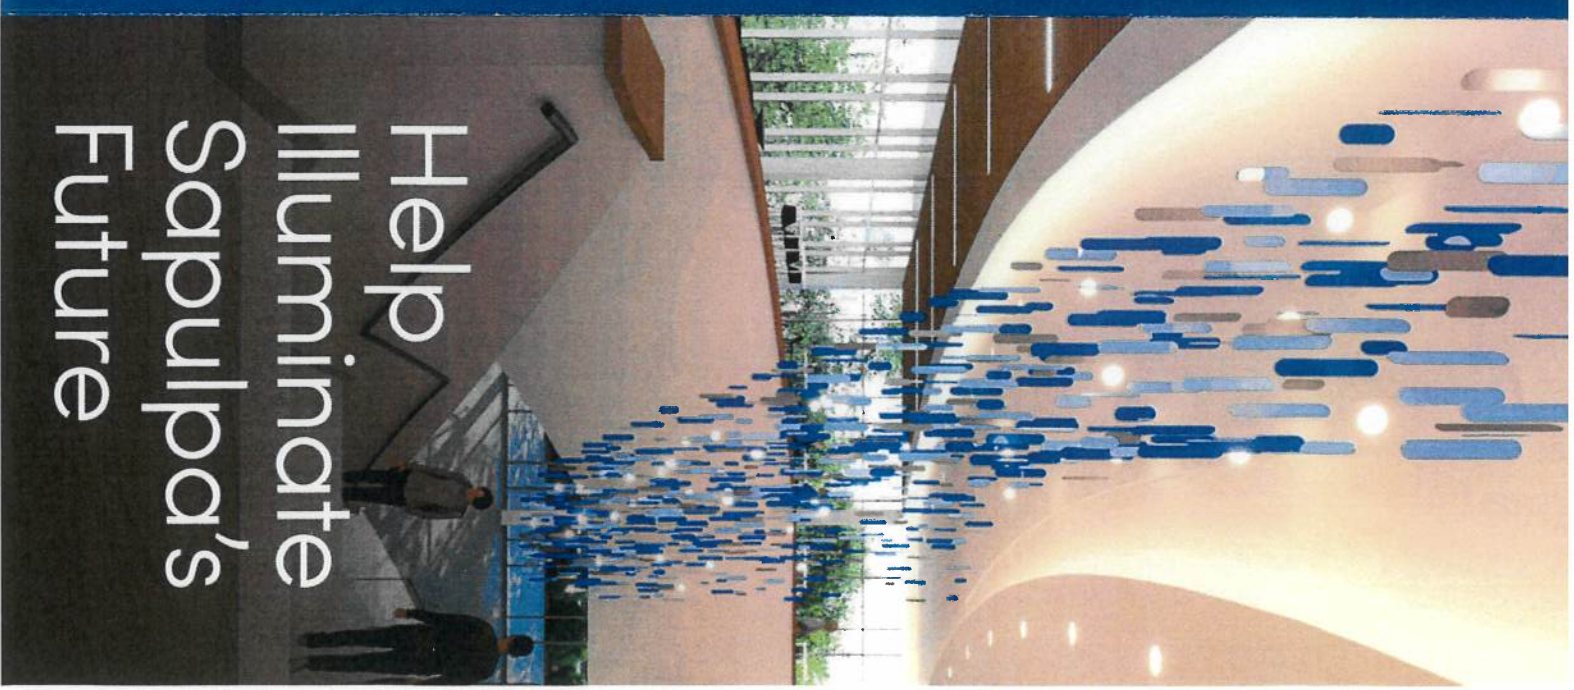

Sapulpa's brand-new high school facility opens in Fall 2027, and with it comes a state-of-the-art Performing Arts Center (PAC) — a true cultural hub for our students, our families, and our entire community. From concerts and theatrical performances to special events for years to come, this venue will be a stage for memories yet to be made.

Sapulpa's
Future

A SIGNATURE OPPORTUNITY To Make Lasting Impact

At the heart of the Performing Arts Center is a vision that will shine — *literally*.

Rising above a graceful, curved staircase that leads to the balcony, the PAC lobby will be crowned by a breathtaking, one-of-a-kind chandelier designed exclusively for this space. Cascading in striking Chieftain blue, it will be visible from the street and seen from downtown Sapulpa looking east down Dewey Street — a brilliant, permanent symbol of community pride and support.

THIS CHANDELIER IS MORE THAN A FIXTURE. IT'S A BEACON

— representing the light of opportunity the Performing Arts Center will offer students and our community for generations.

How You Can Help

This custom chandelier carries a price tag of \$100,000. While the school bond is funding the Performing Arts Center itself, a statement piece of this caliber requires something extra. That's where you come in: every gift, made through tax-deductible donations to a dedicated charitable foundation, helps bring this vision to life.

Giving Levels & Recognition

Every contribution — *of any size* — moves us closer to lighting up the PAC lobby, and every gift is fully tax-deductible. Donors who give \$1,500 or more will be permanently recognized on a beautiful plaque displayed in the Performing Arts Center lobby for years to come.

- Gold Giving Level • \$10,000
- Silver Giving Level • \$5,000
- Bronze Giving Level • \$1,500
