

SUBJECT:	Consideration and possible approval to adopt a board resolution declaring an emergency, and authorizing employee compensation in response to the Bad Weather Day on September 1, 2026, for Tropical Storm Edouard.
BACKGROUND:	Pasadena ISD experienced a potential emergency and urgent public necessity within its boundaries due to Tropical Storm Edouard on September 1, 2026. In the best interest of our students and staff, Pasadena ISD closed district operations. The administration requests that this board declare a condition of emergency and urgent public necessity and further authorize the compensation of district employees for the day on which the district was closed, according to the duty schedule they would have otherwise worked, and in accordance with the district's pay practices, as provided in the attached resolution.
FINANCIAL IMPLICATIONS:	Employee compensation will be funded by their normal payroll accounts.
RECOMMENDATION:	We recommend approval to adopt a board resolution declaring an emergency, and authorizing employee compensation in response to Tropical Storm Edouard on September 1, 2026.
