

New ConstructionFacilities - Guidelines for Construction Plans

The Board of Education is responsible for action on the tentative recommendations of the superintendent. The board, assisted by the superintendent, may call and enlist the aid of school district residents, educational consultants, school district personnel, and architects in developing specific plans for new construction and major remodeling.

The board, after approving tentative new construction/major remodeling plans is responsible for informing the voters of the district of the proposed building program. The board, through the superintendent and other means available, shall insure that the proposed construction is thoroughly explained and justified to the public.
