RE: Administrative Report
Date: September 9, 2026

1. **Club Proposal** - CJ Burhans would like to start a civic engagement-based club called UTHS People Actively Changing Tomorrow (UP.A.C.T.). The club aims to transform students into active agents of community improvement. They will study the community, identify needs, and design needs-responsive projects while partnering with community organizations.
2. **Club Proposal** - Jill Sullivan-Bennin would like to start a Library Teen Advisory Board to figure out ways the library can support students and the UT community. The organization will meet regularly and will foster leadership skills, ownership, and pride in the library program.
3. **School Year Focus** - This year's school year focus is on the ACT and ACT growth. At the Board of Education meeting, we will share what our approach will be for the school year.
4. **Special Services Report** - Amy Loy will be present to provide information on special education programming at UTHS.
