NEW POSITIONS

4 - Para Educator (LEVEL B) - Rock Cut Elementary School

The administration is requesting 4 Para Educators (Level B) (4.0 FTE) as a result of 7 additional students who are newly transferred to the district and have IEPs that include the need for paraprofessional support within the structured teaching program. This need is a requirement under the IDEA to meet students' IEP services.

1 - Para Educator (LEVEL A) - Rock Cut Elementary School

The administration is requesting 1 Para Educator (Level A) (1.0 FTE) as a result of a new student who has transferred into the Harlem School District and requires paraprofessional support as a requirement under the IDEA to meet the student's IEP services.

1 - Para Educator (LEVEL A) - Harlem High School

The administration is requesting 1 Para Educator (Level A) (1.0 FTE) as a result of a new student who has transferred into the Harlem School District and requires paraprofessional support as a requirement under the IDEA to meet the student's IEP services.
