Option Enrollment Policy Update

At the October board meeting we need to approve an update that changes our policy for program capacity for option enrollment applications. It is on the September agenda for discussion.

- Homecoming on Saturday, August 3rd.
- Annual Audit is September 16-18.
- Picture Day is September 17th
- PT Conferences October 7th and 8th
- End of Quarter 1 is October 9th
- Veterans Day November 11th

Teacher Evaluations—As you can see from the chart below no evaluations have taken place thus far. By next month I anticipate seeing several informal and a few formal evaluations in progress and completed.
