- Continuous Improvement Planning (CIP) is focused on continuous improvement of educational opportunities.
- Career and Technical Education (CTE/Perkins) is focused on the development of academic knowledge in addition to technical and employability skills for secondary students.
- Every Day Matters (EDM) is focused on addressing chronic absenteeism through increased attention on student engagement, school culture, climate and safety, culturally sustaining pedagogy, and family and community involvement.
- Early Indicator and Intervention Systems (EIIS) is focused on creating and supporting cohesive systems of data collection and analysis, interventions, and supports.
