

Shaping the Future of Learning

2025–2026 Accomplishments
2026–2027 Strategic Goals

Engaging Curriculum Key Accomplishments

Expanded integrated, standards-aligned units across K–8, in Dual and monolingual classrooms.

- Completed K-5 integrated units of study
 - Completed Grade 6 English Language Arts and advanced Grade 6 Spanish Language Arts development.
 - Completed Grades 6-8 Social Studies units for Spanish and English Instruction
 - Initiated grade-level Math Interactive/Visual Learning Guides (Compendiums) to strengthen instructional consistency.
-

Social-Emotional Learning Key Accomplishments

Strengthened adult SEL and positive classroom environments.

- Provided PD for adult SEL to develop professional positive relationships.
 - Established Tier I classroom commitments through the Social-Emotional/Behavior Committee.
 - Implemented districtwide behavior procedures and consistent data collection.
-

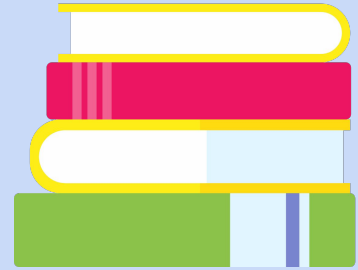

Teacher Capacity Key Accomplishments

- Strengthened math instruction through Math Instructional Team collaboration.
 - Provided ongoing collaborative planning and instructional support to implement all new units
 - Refined units and resources in response to teacher feedback.
 - Strengthen consistent use of gradual release and effective scaffolds.
 - Deepend standards based planning and instructional decision making.
 - Use technology purposefully to strengthen teaching and learning.
-

Strategic Partnerships

- Engaged in DuPage County Curriculum Directors and EL Directors networks.
 - Participated in the ECRA EL Consortium to inform programming and continuous improvement.
 - Strengthened Tri-District collaboration with Fenton and Bensenville.
-

2026–2027 Strategic Curriculum Goals

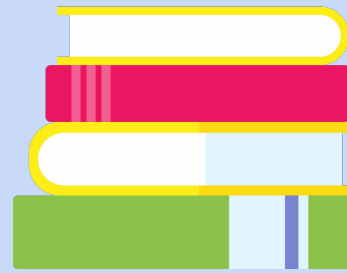

- **Goal 1** | Strengthen Daily Instruction — Implement new units with consistent, high-quality instructional practices. Review and update end of unit Math assessments.
- **Goal 2** | Advance Dual Language & Literacy — Complete Grade 6 Spanish Language Arts and begin Grade 7–8 Spanish and English Language Arts unit development.
- **Goal 3** | Expand Standards-Aligned Learning — Integrate Illinois computer literacy standards focusing on STEM and develop K–5 Art units.
- **Goal 4** | Strengthen Student Support Systems — Transition MTSS documentation and progress monitoring to PowerSchool for consistent access to intervention data.

-
- **Goal 5** | Improve Communication of Student Learning — Transition standards-based progress reporting to PowerSchool for clear, consistent family communication.
 - **Goal 6** | Expand Academic Challenge — Strengthen our Schoolwide Enrichment Model, project-based learning, and academic challenge for all learners.
 - **Goal 7** | Mathematics — Begin the process of evaluating a new Junior High math resource aligned to instructional needs.

Strategic Alignment with BOE Goals

Strategic Curriculum Goals	Board Goal 1: Student Achievement	Board Goal 2: Staff Retention	Board Goal 3: Partnerships	Board Goal 4: Communication
High Quality Instruction	X	X		
MTSS and SEM	X	X	X	
Powerschool and Communication	X	X	X	X
