

Transfer, Placement & Workforce Development

Goal

Increase student participation in work-based learning services and opportunities.

Target

4 → 50

students placed in work-based learning by the end of Spring 2027

Owner: Dr. Marissa Moreno

How We'll Know

- The number of students who meet the WBL Success Coach and complete intake.
- WBL interactions tracked in Handshake: referral-to-candidate and candidate-to-placement conversions.
- The total number of placements counted against the target of 50.
