To: Board of Education
Cc: Dr. Amy MacCrindle, Superintendent of Schools
From: Rick Rindhage, Director of Transportation
Date: September 21, 2026
Re: Annual Review of Hazardous Routes

The Board is required to annually review all Serious Safety Findings approved by the Illinois Department of Transportation to verify that the hazardous conditions remain unchanged. Attached you will find the Serious Safety Hazard Findings that were approved by the Illinois Department of Transportation in 2024 for Prairie Knolls Middle School, Prairie View Grade School, Lily Lake Grade School, Central Middle School, Howard B. Thomas Grade School and Central High School.

The Transportation Department has reviewed these conditions and determined they have not changed. It is recommended that the Board renew these hazardous designations as hazardous routes for bussing.
