- ✓ Apprenticeship opportunities
- ✓ Workforce readiness
- ✓ Meaningful student engagement

Looking Ahead

- Tiny Home continuation
- Healthcare expansion
- Behavioral Health
- AI Coding
- Village programming
- New partnerships

Expanding opportunities for every student

Continued growth in CTE pathways supports college readiness, apprenticeships, and workforce development across the North Slope.

Thank You

On behalf of the Career & Technical Education Department and the Qatqĩñaġvik Learning Center,
Thank you to the North Slope Borough School District Board of Education and the North Slope Borough Mayor's Office for your continued
support and investment in Career & Technical Education.

**Together, we are building the future workforce of the North Slope.
Quyanaqpak.**
