MEETING DATE:

September 23, 2026

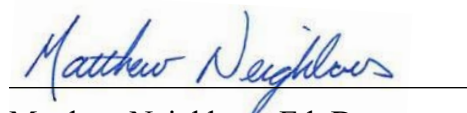

AGENDA ITEM:

Discuss and consider professional service expenditures for Licensed Specialists in School Psychology from Tiffany Lyday in FY27

GISD is in the third year of a five year RFP for Licensed Specialists in School Psychology and Speech Pathology services. CSRFP-2024-25-004 & CSRFP-2024-25-005. Due to scheduling conflicts and staffing constraints with the remaining awarded vendors, GISD had to acquire under the professional service procurement exception, the services of Tiffany Lyday. Like many greater Houston ISD's, GISD continues to struggle in the recruiting and retaining of full time LSSP employees. As a result, we are utilizing Tiffany Lyday for FY27 to meet the growing student service demand of the special education environment requirements. The estimated amount of expenditures in FY27 is not to exceed \$90,000. Billing will be based on actual services rendered to the appropriate GISD students.

RECOMMENDATION:

I move that the Board of Trustees approve the purchase of LSSP Services in the amount not to exceed of \$90,000 to Tiffany Lyday for FY27.
