

MEMORANDUM

TO: Brian Ruttman, Superintendent
Board of Education

FROM: Scott Breshears
Director, ITS

DATE: September 28, 2026

SUBJECT: True Digital Security Agreement

RECOMMENDED ACTION:

Approve agreement with True Digital Security, a CISO Global company, to provide network penetration testing and internal vulnerability assessment services for \$15,000.

BACKGROUND:

Approval of this agreement will allow us to proceed with network penetration testing and internal vulnerability assessment services, each designed to provide insight into possible weaknesses, along with suggested corrective actions. In the past, the district has contracted with True Digital Security, which has been acquired by CISO Global. ITS recommends approval of this agreement, allowing the district to continue working with the True Digital Security team. The agreement is subject to Oklahoma State Contract No. 1042.
