

CHELSEA SCHOOL DISTRICT

District Goals

2026 – 2028

Goal 1

Career and Technical Education (CTE)

“By Spring 2028, ensure at least 95% of interested students enroll in their preferred CTE course; expand K to 12 programming.”

Increase access and awareness of high quality CTE opportunities so students can explore their interests, develop in demand skills, and pursue meaningful pathways beyond high school.

Goal 2

Safety and Support

“By Spring 2028, complete external reviews of physical safety and mental health supports; implement at least 90% of recommendations.”

Strengthen safe, supportive, and welcoming learning environments through an external review of our physical safety and mental health supports, and a focused plan to implement recommendations.

Goal 3

Literacy

“By Spring 2028, achieve 85% proficiency and 76% growth on NWEA MAP assessments in grades K to 8.”

Advance literacy for every student by building strong foundational skills, expanding access to high quality instruction, and using data to inform and support continuous improvement.
