

Mission Statement

~~Laredo College is a learner-centered institution transforming students' lives through educational programs and services to fulfill the dynamic needs of its local, regional, national, and global community.~~

Laredo College is committed to transforming students' lives through high-quality, innovative, and affordable programs and services. By leveraging emerging technologies and fostering lifelong learning, Laredo College equips students with the knowledge and skills to positively impact local, regional, national, and global development.

Core Values

~~Learner Centered: It's all about students!~~

~~Realization of educational and professional goals.~~

~~Learning Connections: It's all about partnerships!~~

~~Collaboration with all stakeholders.~~

~~Leadership and Change: It's all about innovation!~~

~~Empowerment for our students, faculty, and staff.~~

~~Life Changing: It's all about transformation!~~

~~Excellence and innovation that responds to student and community needs.~~

Integrity: Upholding honesty, accountability, and transparency in all actions fosters trust within the college and community.

Excellence: Striving for the highest standards in education, service, and performance ensures impactful and transformative learning experiences.

Innovation: Embracing change and applying forward-thinking strategies leverages emerging technologies to equip students for future challenges.

Service: Committing to community engagement builds partnerships that enhance economic, cultural, and social vitality locally and globally.

Wellness: Prioritizing the well-being of students, faculty, and staff cultivates an environment that supports holistic growth, resilience, and lifelong health

EDUCATIONAL ROLE, MISSION, PURPOSE, AND RESPONSIBILITY

Vision Statement	Laredo College aspires to cultivate a learning, teaching, and working environment that facilitates student success and promotes institutional excellence. <u>Laredo College aspires to cultivate graduates who drive positive change and make meaningful contributions to communities and the world.</u>
Vision / Mission Review Process	The College District's vision and mission statements shall be reviewed on a regular basis, typically every three to five years, by a representative group of personnel, with input from College District stakeholders.
Statement of Ethics	The College District shall apply the highest ethical standards to all members of the College District community including the Board, administration, staff, and faculty in achieving its mission and in managing its resources efficiently and effectively to reach its goals and objectives. The College District shall include a code of ethics for Board members, administration, staff, and faculty in its policy manual. The College District seeks to treat each person of the College District community as a unique individual and to provide a positive, encouraging, and success-oriented environment. The College District's policies and practices that protect the rights and development of each individual in the College District community shall be enforced. The College District accepts its responsibilities to its students, to its employees, and to the members of the community. The College District is committed to meet these responsibilities with balance, fairness, accountability, and ethical integrity. (Mandated by HB 1 Appropriations Act, 74th Texas Legislative Session)
