Curriculum

The IXL Flex Diagnostic Assessments in both English Language Arts and Mathematics have been completed. Staff have also administered the Aimsweb assessments. The Data Team, in collaboration with classroom teachers, is carefully analyzing the results to identify students who may benefit from targeted interventions and additional instructional support.

In addition, our content team leaders will use the assessment data to establish building-wide goals that will guide instructional planning, inform areas of focus, and support academic growth throughout the school year.

Our 3rd–5th grade teachers have also implemented Word Origins into their ELA instructional time. This program will provide students with additional opportunities to develop their understanding of word structures, vocabulary, and word meanings while strengthening overall literacy skills.

School Celebrations

We are excited to welcome several new staff members to Spring Grove Elementary for the 2026–2026 school year. Please join us in extending a warm welcome to:

Cara Creager - 5th Grade
Ashley Ohlemeyer - 5th Grade
Beth Bravieri - Special Education Resource
Sarah Hughey – Paraprofessional

We are thrilled to have them join our school community and look forward to a wonderful year ahead!

SGE PTO Gaga Ball Pit

The SGE PTO recently approved the purchase of a Gaga Ball Pit for Spring Grove Elementary School, providing students with another exciting opportunity for active play, teamwork, and positive social interaction during recess. This project is a great example of the continued partnership between our PTO and school in creating engaging experiences and enhancing the student experience at SGE. A location has already been determined on the blacktop, and we are excited to see this new addition become a popular part of our students' recess experience.
