Background Information

The school board must approve the preliminary tax levy for Pay 2027 before September 30, each year. The Pay 2027 levy corresponds to revenue for the 2027-28 school year and fiscal year 2028.

School districts typically approve the amount at “MAXIMUM” as the Minnesota Department of Education makes numerous adjustments over the next few weeks.

The school board can under levy when the final levy is certified in December.

As of 9/18/2026 the Department of Education has not issued a clean report. Tentatively there will be a hand out at the meeting.

Recommendation

I move to approve the proposed Pay 2027 levy at “MAXIMUM”.
