CARB Disclosure – State and Local Government

Purchaser understands and acknowledges that the vehicle(s) being offered for sale by Rush (“Vehicle(s)”) have been/will be built by the manufacturer to meet applicable environmental or health requirements, including but not limited to, regulations of the California Air Resources Board (“CARB Regulations”) and EPA, based on the state of registration or state of primary use as of the Vehicle’s build date (“Environmental Standards”).

For state and local governments, the state of registration and state of primary use is deemed to be, and Rush will sell vehicles to purchaser based on, the state where the purchaser is located. **Unless purchaser is located in California, Rush is offering Vehicles for sale to Purchaser that do NOT have a CARB-compliant engine.**

Vehicles that do not have a CARB-compliant engine do not currently meet standards for registration or resale to a purchaser located in the state of California and use of the Vehicle in California may not comply with the Environmental Standards in California, including CARB Regulations and the requirements of the California Health and Safety Code. Further, a vehicle operated in California may be subject to the CARB Advanced Clean Fleets (“ACF”) regulations. Therefore, a purchaser operating a vehicle in California could be subject to requirements to reduce emissions of air pollutants. For more information, please visit the CARB ACF webpage at <https://ww2.arb.ca.gov/our-work/programs/advanced-clean-fleets>.

If purchaser desires to register and/or primarily operate a Vehicle in California, purchaser must purchase a CARB-compliant engine (e.g. mitigated legacy engine or hardware compliant engine). Examples of “primary use” of a vehicle in a state include garaging or maintaining of a vehicle in a state, the assignment of a vehicle to a state, domiciling, controlling or dispatching a vehicle from within a state and/or significant use within a state. Purchaser acknowledges that the forgoing does not constitute an exhaustive list of uses of a vehicle that may constitute “primary use.” Purchase of vehicles with CARB-compliant engines are subject to availability.

Purchaser acknowledges and agrees that it will be solely responsible and liable for any alleged violations of any Environmental Standards arising out of its purchase, possession, registration, operation, reporting, resale or other use or disposition of the Vehicle(s).

Notice Regarding Security Interest and Payment of Purchase Price

1. BMO Harris Bank N.A. or Navistar Capital (collectively, "Bank") financed or will finance the acquisition of each vehicle that Rush Enterprises, Inc. and its subsidiaries ("Rush") will in turn sell to you on deferred payment terms ("Vehicle"). Bank's agreement with Rush requires that Bank's security interest in each Vehicle continue until Bank receives the full amount that Bank financed for such Vehicle. Based on that agreement, your purchase of a Vehicle will be subject to Bank's prior, unrelinquished security interest, which will continue until Bank receives the total amount that Bank financed for such Vehicle.
2. By written notice to you, Bank may require you to pay the purchase price for Vehicles directly to Bank. If you pay any portion of the purchase price for a Vehicle directly to Bank, Rush will credit such payment(s) against the amount you owe to Rush.
