Vol. 35, No. 2 - Technical Corrections - July 2026 OVERVIEW

WISCONSIN OVERVIEW AND COMMENTS**Volume 35, Number 2 - TECHNICAL CORRECTIONS****JULY 2026**

Neola will issue an update with only technical corrections, as necessary. With this change, the Regular Update will include more substantive policy issues for review that require Board consideration and approval. Importantly, these technical changes do not materially alter the policy's intent but rather make minor improvements to its quality and/or consistency. If the Board has adopted the language noted below in Bylaw 0131.1 - Bylaws and Policies, these technical corrections may be made without approval by the Board. However, as noted, the Board should be informed of these technical corrections no later than the next regular Board meeting. We believe this change will help streamline the review and adoption process.

Pursuant to the optional language offered in Bylaw 0131.1 - Bylaws and Policies:

The District Administrator is authorized to review and make technical corrections to policies that have already been adopted through normal rulemaking procedures. Technical corrections are those corrections to policy language or construction that do not reflect a policy decision or substantive consideration by the Board, such as correction of a typographical or grammatical error, inclusion or correction of a statutory citation, renumbering of sections, combining of policies, or similar actions. The District Administrator shall inform the Board of any such changes no later than the next regular Board meeting.

BYLAWS AND POLICIES

Policy 1460 - PRE-EMPLOYMENT PHYSICAL EXAMINATION (Technical Correction)

Policy 3160 - PRE-EMPLOYMENT PHYSICAL EXAMINATION (Technical Correction)

Policy 4160 - PRE-EMPLOYMENT PHYSICAL EXAMINATION (Technical Correction)

"Pre-employment" has been added to these policies and the title to clarify the context for the physical examination. In addition, a reference to a rescinded policy has been deleted.

Policy 2131.01 - READING INSTRUCTIONAL GOALS, ASSESSMENT, AND INTERVENTIONS (Technical Correction)

The required grades for DPI's literacy assessment have been corrected to include third grade.

Policy 2522 - (.) LIBRARY MEDIA CENTERS (.) INSTRUCTIONAL MATERIAL CENTERS (.) LIBRARIES (Technical Correction)

43.30(5)(a), Wis. Stat has been added to the Legal Citations. This citation covers current policy content regarding the interaction between law enforcement and a school library.

Policy 5330 - ADMINISTRATION OF MEDICATION/EMERGENCY CARE (Technical Correction)

Clarification provided to the description and examples of Opioid Antagonist delivery systems. In addition, the epinephrine options were expanded to include other delivery systems instead of only "auto-injectors. Language was also added to identify examples of "stock bronchodilators".

Policy 5451.01 - WISCONSIN ACADEMIC EXCELLENCE SCHOLARSHIP (Technical Correction)

Clarification provided on the deadline for a district to designate student scholars eligible to receive an Academic Excellence Scholarship.

Policy 5460.01 - DIPLOMA DEFERRAL (Technical Correction)

The term "social graduation" is replaced with "participation in the graduation ceremony" for additional clarity.

Policy 5461 - CHILDREN AT-RISK OF NOT GRADUATING FROM HIGH SCHOOL (Technical Correction)

Neola has concerns that districts may not have chosen one of the two options and would like clients to review their current policy. Per Wisconsin Administrative Code § PI 11.36(6) the District must inform DPI how it will document compliance. Districts have two choices: Note: If a new or different option is chosen, this policy should be added to the regular 35.2 Update.

Policy 5514 - USE OF PERSONAL TRANSPORTATION DEVICES (Technical Correction)

E-bikes are added to the list of personal transportation devices under Board regulation on District property.

Policy 6608 - ACCOUNTABILITY AND OVERSIGHT OF FUNDRAISER AND CROWDFUNDING DISBURSEMENTS (Technical Correction)

Corrects the term "Custodial Funds" in the heading that has sections on both custodial and non-custodial funds.

Policy 6610 - NONDISTRICT-SUPPORTED STUDENT ACTIVITY ACCOUNTS (Technical Correction)

The rewritten section clarifies in one sentence the choice for discontinued student activities funds and confirms the District did not choose both options in the past.

Policy 7440.01 - VIDEO SURVEILLANCE AND ELECTRONIC MONITORING (Technical Correction)

Adds a reference to Policy 8600 - Transportation for further information on school bus surveillance to the policy text.

Policy 7450 - PROPERTY INVENTORY (Technical Correction)

Adds a reference to Policy 7455 - Accounting System for Capital Assets and clarifies equipment falls under capital assests.

Policy 7455 - ACCOUNTING SYSTEM FOR CAPITAL ASSETS (Technical Correction)

Clarifies the reference to Policy 7450 - Property Inventory by eliminating the condition of "periodically" in the context of that policy.

Policy 8462.01 - THREATS OF VIOLENCE (Technical Correction)

The requirement for staff training is clarified: a record of training needs to be maintained, and a training report does not need to be submitted to DPI.

Policy 8540 - VENDING MACHINES (Technical Correction)

Neola confers each year with the School Nutrition Program Compliance Unit (SNPCU) at the Wisconsin Department of Public Instruction regarding required updates to the policies included in Administrative Reviews for our client districts. This technical correction came from the SNPCU after a review of our most current templates.
