

To Whom It May Concern,

It is with great enthusiasm and sincere appreciation that I write this letter of recommendation for Carmen Vasquez. Carmen is an exceptional member of the Bonneville High School community who consistently demonstrates professionalism, compassion, initiative, and an unwavering commitment to supporting others. She is truly an invaluable asset to our school.

From day one, Carmen has proven herself to be dependable, proactive, and incredibly dedicated. She approaches every responsibility with care and attention to detail, often going above and beyond what is expected to ensure that students, families, and staff receive the support they need. Her ability to manage multiple responsibilities while maintaining a positive and welcoming attitude is remarkable.

Carmen's contributions extend far beyond her daily responsibilities. She is an integral part of LIA, serves as our Lead Advocate, and plays an essential role as a translator and bridge between our school and the families we serve. Carmen has a unique ability to make people feel heard, valued, and supported. She advocates for students and families with compassion and works tirelessly to help them navigate challenges and access the resources they need.

What truly sets Carmen apart is her willingness to go the extra mile. She does not wait to be asked to help—she sees a need and steps in. Her dedication, positive attitude, and genuine concern for others make a meaningful difference in the lives of those around her. It is because of these qualities and her consistent willingness to give more of herself in service to our school community that Carmen was honored with the Extra Mile Award. This recognition is a true reflection of the impact she has on Bonneville High School.

Carmen brings energy, creativity, compassion, and commitment to everything she does. Whether she is advocating for a student, assisting a family, translating important information, supporting a colleague, or helping strengthen our school community, she approaches every task with professionalism and heart.

Simply put, Carmen is the kind of person every school and organization would be fortunate to have. She makes Bonneville High School a better place through her service, dedication, and genuine care for others. I recommend her without hesitation and am confident that she will continue to make a tremendous difference wherever her talents and compassion take her.

Please feel free to contact me if you need any additional information regarding Carmen and her outstanding contributions.

Sincerely,
