Food Service

Purposes and Facilities

The school lunch program shall be an integral part of our total educational program. An attractive, wholesome, well-balanced lunch is essential for the best work from the students.

To accomplish this objective with appropriate economy, all administration of the food services program will be coordinated in the office of the Business Manager. Business functions to be centralized will include central purchasing of food and supplies, a district-wide salary schedule for all food service employees, centrally planned menus, and regular audit of all accounts.

The educational aspects of the school lunch program will be the responsibility of Principals, subject to advice, counsel and direction from the Business Manager, and the Superintendent of Schools, who is ultimately responsible for executing this policy.
