Re: Food Service Meal Price Adjustment

The Mary M. Knight School District Food Service Program has reviewed its current meal and à la carte pricing and determined that an adjustment is necessary to bring the program's pricing into compliance with applicable Child Nutrition Program requirements.

To meet these requirements, administration recommends increasing the following prices by **\$0.50**, effective upon Board approval:

Item	Current Price	Increase	New Price
Adult/Guest Breakfast	\$3.00	\$0.50	\$3.50
Adult/Guest Lunch	\$5.00	\$0.50	\$5.50
Adult/Guest/Student Entrée	\$2.50	\$0.50	\$3.00
Adult/Guest/Student Salad Bar	\$3.75	\$0.50	\$4.25

These adjustments will bring the district's pricing into compliance while helping ensure that the Food Service Program appropriately accounts for the cost and value of meals and food items provided.

Recommended Board Action:

Approve the proposed **\$0.50 increase** to the Food Service meal and à la carte prices as presented above, establishing the new rates of \$3.50 for an adult/guest breakfast, \$5.50 for an adult/guest lunch, \$3.00 for an adult/guest/student entrée, and \$4.25 for an adult/guest/student salad bar.
