

Cameron Elementary School
Principal's School Board Report
September 28, 2026

August 27 - Cameron Elementary School hosted the 2026-2027 Meet the Teacher Day for Cameron Elementary School families. Our staff worked from 8:00 a.m. to 7:00 p.m. getting ready for the day and meeting with families. We had another excellent turnout. Over 98% of our elementary families attended one or more conferences. Thank you to our staff for putting in the long day.

August 28 & 31 - These were our first days of school for students in grades K-4. They are considered summer school days, but for the most part, we have almost all students attend. There were a lot of smiles on faces as students were excited to see their teachers and friends.

September 1 - The first day of school for our All Aboard students. Currently, there are 47 4K/Early Childhood students enrolled.

September 23 - Elementary Staff Meeting

September 17 - Barron County Truancy Meeting. A group of school employees throughout Barron County met to go over any updates in regards to truancy. We also discussed preventative measures to help families when attendance is becoming an issue.

September 19 - Our 3rd Friday student enrollment count was completed on September 19. We had a count of 408 students. That is two less than the 2025-2026 school year.

September 9-October 1 - Teachers in grades K-4 used our district assessment tool, AimswebPlus, to test students and get a baseline for this year. One of the uses of this data is to help set our academic intervention groups. We are working to meet the requirements of Act 20.

Upcoming Events

- | | |
