Consider Approval and Appointment of Board Selected Members for the CCISD School Health Advisory Council

Background:

The CCISD School Health Advisory Council (SHAC) is an advisory group consisting of members from our community and school district. The purpose of SHAC is to ensure that CCISD's school health programs reflect local community values. TEC Section 28.004 requires parents of students in the district who are not employed by the district to make up a majority of the members. A random drawing was held to determine which 15 parents would be recommended to serve on the council. CCISD SHAC will meet on on October 21, 2026, November 18, 2026, January 20, 2027, and March 17, 2027.
