Recommendation(s):

Recommend approval of the Greenfield Avenue Presbyterian Church check donation of \$20,000.00 to Hoover Elementary School for student uses.

Purpose:

To comply with [Board policy 7230](#). Upon approval by the Board of Education, the Greenfield Avenue Presbyterian Church donation will be distributed as follows: \$20,000.00 check directed to Hoover Elementary School Fund 21 Student Activity Accounts on Monday September 28, 2026.

Background:

Greenfield Avenue Presbyterian Church (GAPC) has been a long-standing community partner of Hoover Elementary School, providing financial support and resources over the years to enhance educational opportunities for students. As the church prepares to conclude its ministry and close its doors after more than 100 years of service to the community, its leadership has chosen to make final charitable contributions to organizations that reflect its mission and values.

GAPC previously donated \$20,000 to Hoover Elementary School and has now generously provided an additional \$20,000 donation, bringing its total contribution to \$40,000. In accordance with the donor's request, the funds will be used to support student-centered opportunities, including field trips, Action Clubs, instrument rentals, and other similar programs and activities that directly benefit Hoover students.

Acceptance of this additional donation will allow Hoover Elementary School to continue providing enriching educational and extracurricular experiences for students while honoring GAPC's longstanding partnership with the school and commitment to the West Allis-West Milwaukee community.
