

Lincolnshire-Prairie View School District 103

Memo

To: Board of Education
From: Katie Reynolds, Ed.D.

Re: ISBE LEA Determination Memo

I am providing the Board with the Illinois State Board of Education's (ISBE) annual LEA Determination for District 103. Each year, ISBE reviews school districts' implementation of requirements under the Individuals with Disabilities Education Act (IDEA) and issues a determination based on multiple compliance and student outcome indicators.

For 2026, District 103 has been determined to **"Meet Requirements."** The attached LEA Determination Matrix provides the detailed indicators and data used by ISBE in reaching this determination.

No action is required by the Board at this time. I am sharing the determination for your information and transparency regarding the District's special education compliance and performance.
