

***Killeen Independent School District
Board Agenda Item Information Sheet***

Date: October 6, 2026

Agenda Item Caption: Report on Systems of Great Schools (SGS) – Killeen ISD Quality Seats Analysis

Purpose of Agenda Item: Information only

Administrative Recommendation: None

Background Information: MGT is our technical assistance provider for the KISD participation in Systems of Great Schools. The focus is to share the KISD quality seats analysis information and to present a North STAR Goal. The System of Great Schools (SGS) is a district-wide transformation strategy designed to ensure that more students attend high-performing schools, particularly A/B-rated campuses, each year SGS helps district leaders analyze school performance, expand great options, improve access, and create new organizational structures to meet community needs. It is an extension of the Effective District Framework (EDF), supporting planning, performance management, instructional leadership, and innovative school actions

Fiscal Analysis: None

Regulatory Requirement: None
