

Abilene Independent School District Board Document - Agenda Item XX.XX

Meeting Date: October 5, 2026

Meeting Type: Regular Meeting

Item Type: Action Item

Future Action Required: No

If Yes, Month:

Subject: Class Size Waivers

Background Information: This presentation provides an overview of Abilene ISD's 2026–2027 elementary class size waiver needs under Texas Education Code §25.112. After reviewing enrollment data and exploring options to balance classes and ensure every student had a teacher on the first day of school, the district identified 48 classes requiring waivers, with the greatest concentration in third grade (16) and second grade (14). The district will submit the required waivers to TEA, provide parent notification, and continue monitoring class sizes throughout the school year.

Attached Supporting Documents:
Presentation

Fiscal Implications:
None

Administrative Recommendation:
Approval of class size waivers as presented.
