Hello Dr. Plourde,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I am requesting an electronic copy or digital download link for the open-session audio (or video) recording from the August 5, 2026 Board of Education meeting.

I'm currently reviewing the details regarding the LED lighting project presented at that meeting, and I'd like to listen to the full discussion to make sure I completely understand what was presented and approved before reaching out with a few questions.

Please provide the electronic file or download link within the five (5) business days.

Thank you for your time and assistance.

Sincerely,

Brandt Fritz
