Board Agenda Item Information Sheet***

Date: October 6, 2026

Agenda Item Caption: Board Update - Goal 1 - Student Success

Purpose of Agenda Item: Information only

Administrative Recommendation: None; for discussion.

Background Information: This presentation provides a beginning-of-year update on our progress toward Board Goal 1, Student Success, and the Board's academic priorities. The update highlights current efforts to strengthen Tier I instruction through targeted professional development, campus walkthroughs, and timely feedback to support consistent, high-quality instruction. The presentation also shares beginning-of-year academic measures for Pre-K through Grade 8, including Circle and NWEA MAP data, to establish current performance levels and inform instructional support. Post-secondary success and CCMR progress will be presented in greater detail at the November Board meeting. The presentation concludes with an overview of our campus tiering process, which uses identified areas of need to match campuses with differentiated levels of support and resources.

Fiscal Analysis: None

Regulatory Requirement: None
