We Built Community & A Playground

We Work Hard & Play Hard

Thank You

No matter the work—whether it is learning to read, learning to count, discovering more about the world around us, or making an amazing new playground happen—it truly takes the work and support of a community.

Thank you to our students, families, staff, PTO, and community members who continue to show up, pitch in, and make great things happen for our kids. We are so grateful for each of you and the many ways you help make Scandia such a special place to learn and grow.
