Re: Proposal for Professional Roof Consulting Services
Harker Heights High School: Auditorium and Field House
1001 East FM 2410
Harker Heights, TX 76548

Audie Murphy Middle School: Gym Roof
53393 Sun Dance Drive
Fort Hood, TX 76544

Dear Mr. Kittell:

Engineered Exteriors, LLC (EE) is pleased to submit this proposal to provide roof consulting services for the subject projects. This proposal is based on project information provided by KISD, subsequent conversations, as well as our experience with similar projects.

PROJECT DESCRIPTION

EE understands that KISD is requesting design and construction services at:

Harker Heights High School for the roof replacement scope of work at the field house and auditorium as requested in an email dated September 17, 2026.

Roof Replacement Scope:

- Standing Seam Metal Roof at the field house and high roof tower of the auditorium.
- Membrane Roof at the auditorium (coated modified bitumen) and field house (granulated modified bitumen)
- Remove and replace existing metal flashings and drainage components as required to ensure performance of the new roof systems.
- Remove and replace metal coping cap and expansion joints

MEP/Access Scope:

- TBD following site survey to understand extent of associated MEP work.

Audie Murphy Middle School for the roof replacement scope of the gym roof as requested in an email dated September 18, 2026.

Roof Replacement Scope:

- Replace existing modified bitumen roof systems at the gym building.
- Remove and replace existing metal flashings and drainage components as required to ensure performance of the new roof systems.
- Remove and replace metal coping cap and expansion joints on each roof area.

MEP/Access Scope:

- Audie Murphy MS: TBD following site survey to understand extent of associated MEP work.

BASIC SCOPE OF SERVICES

EE proposes the following scope of services for consulting services at each of the subject projects:

Construction Documents.

- Review as-built drawings on file with Facilities Services for the subject roofs and coordinate a site visit for visual survey work to confirm conditions.
- Perform one (1) site visit to confirm existing conditions and submit a brief letter style report confirming scope with all items noted for replacement.
- Generate drawings and specifications associated with the approved replacement, and MEP scope. Drawings and specifications will be sealed by engineers registered in the State of Texas.
 - MEP scope will be further developed after the initial roof surveys to determine the extent of MEP scope of work. EE will submit a separate proposal for the MEP scope of work.
- Provide one (1) Project Manual and bid forms for the full scope of work, based on the Competitive Sealed Proposal (CSP) procurement process typically used by KISD for this type of project.
- Submit a draft set of Bidding Documents for KISD review. EE will discuss with KISD review comments by phone and/or virtual meeting and incorporate changes as required, prior to issuance of the final set of documents to KISD for bidding.
