Re: Formal Request for Approval to Establish and Name the Carlie Shoe Closet

Dear Members of the Board of Education,

On behalf of our family, we respectfully submit this request for the Board's consideration and approval to establish and name a student resource room **The Carlie Shoe Closet** in loving memory of our daughter, Carlie.

Our vision is to create a permanent resource that will provide shoes and other essential items to students who may otherwise go without. More importantly, we hope this space will serve as a lasting reminder of compassion, kindness, and the importance of caring for one another—qualities that Carlie demonstrated throughout her life.

In partnership with **SparkWheel**, we are committed to helping establish, support, and sustain the Carlie Shoe Closet so it continues to meet the needs of students for years to come. Our goal is to ensure every student has access to basic necessities in a welcoming, respectful, and dignified environment.

Our family's commitment to the students and families of our community spans many years. We have been honored to support our schools through service, financial contributions, and community partnerships, including:

- Donating shoes and other essential items to students in need.
- Partnering with **SparkWheel** to expand resources and provide additional support for students and families.
- Organizing and participating in fundraising and donation drives that directly benefit local students.
- Volunteering our time and resources to strengthen our schools and community.
- Proudly sponsoring the annual Fields of Faith event at the stadium each year.
- Awarding more than **\$48,000 in scholarships** to graduating high school seniors over the past ten years.
- Continuing to honor Carlie's legacy through acts of generosity, compassion, and service to others.

We believe the Carlie Shoe Closet would become much more than a designated room. It would be a meaningful resource that provides hope, confidence, and practical assistance to students while reflecting the values of service, generosity, and community that our school district strives to instill.

It is our sincere hope that the Board will approve this request and allow Carlie's memory to live on through a program that will positively impact countless students for generations to come. We would be grateful for the opportunity to answer any questions, discuss our vision in greater detail, or provide any additional information the Board may find helpful during its consideration.

Thank you for your time, thoughtful consideration, and your unwavering commitment to the students and families of our district. We deeply appreciate the work you do each day and respectfully ask for your support in helping make the **Carlie Shoe Closet** a lasting part of our school community.

With sincere gratitude,

Brad Almond
