Subject: Interim Principal to Principal Appointment - Uintah Elementary

Last school year, Randi Dunyon was assigned and approved by the Board of Education to serve as the **interim principal of Uintah Elementary**. At the time of her appointment, Randi had not yet completed all requirements for her administrative/supervisory certification.

Randi began the 2026–2027 school year continuing to serve as the interim principal of Uintah Elementary and has recently completed all required coursework and other requirements for her administrative certification through Western Governors University.

At this time, it is recommended that the Board of Education formally approve Randi Dunyon as the **principal of Uintah Elementary School**.

Randi's leadership and performance in this role have been outstanding. She has quickly established herself as a trusted and effective leader within the school and has built strong relationships throughout the Uintah Elementary community. We are especially grateful for her willingness to step into this important leadership role during a particularly challenging and less-than-ideal time, while simultaneously completing the requirements for her administrative certification.

Randi has demonstrated the leadership, commitment, and care that this school community needs, and we are pleased to recommend her for formal appointment as the principal of Uintah Elementary.
