Agenda Item II-I: Call for Bids - Apollo Renovations and Additions Bid Package 2 Re-Bid 2
Presented by: Amy Skaalerud, Executive Director of Finance and Business Services

Background:

The District previously requested bids for the Apollo Additions and Remodeling Bid Package 2 Re-Bid which were opened on Thursday, August 20, 2026 at 2:00 p.m. Central Time. That bid package included a bid for the joint sealants work scope; however, only two bids were received and there was a significant spread between the low and high bids. Due to the inability for the apparent low bidder to obtain performance and payment bonds and the bid disparity between the two bids, the district recommended rejecting the bids.

The joint sealants work scope in the previous bid package included both joint sealant work and firestopping. The district recommends splitting this into two separate bid packages in lieu of being combined. These bids will be opened on Thursday, October 29, 2026 at 2:00 p.m. Central Time. A copy of the preliminary bid specifications is attached.

The Call for Bids page will be available at www.isd742.org, Department, Business Services.

This project will be funded with proceeds from the 2025A School Building Bonds.

Administration Recommendation:

The Administration recommends that the Board of Education authorize a Call for Bids for the Apollo Renovations and Additions Bid Package 2 Re-Bid 2 to be opened on Thursday, October 29, 2026 at 2:00 p.m. Central Time.
