2026–27 Superintendent Goals

Five goals aligned to the District 742 Strategic Plan (2025–28). Fewer things, done well, with the evidence shown.

Alignment, defined

Shared outcomes, common expectations, coordinated actions, clear ownership, and consistent evidence that the work is happening.

Five goals for 2026–27

1

Coherent Tier 1 instruction

Consistent core teaching in every classroom, math held equal to reading

E-12 Learning & Teaching

2

Integrated student supports

One coordinated system of support across every program

Student Services & Special
Education

3

Culture of high care and high accountability

Caring schools led by adults who own clear results

Superintendent & Human
Resources

4

Family and community partnership

Every family, in every language, can access and navigate the district

Communications & Equity Services

5

College, career and CTE pathways

Every graduate leaves with real options and a plan

Secondary Education (CTE)

How the goals are governed

MONTHLY

Cabinet review

What outcome are we moving? What evidence tells us? What is done, delayed, or avoided? What decision is needed now?

QUARTERLY

Stop, continue, redesign

Named programs and practices are reviewed so initiative overload does not return. The first review begins this fall.

ONGOING

Program effectiveness

Research, Assessment & AI Integration leads reviews. Findings guide resource decisions, reported to the Board.

OUR YEARLONG LEADERSHIP QUESTION

What does mature leadership require of us when clarity, accountability, and relationships are all at stake?
