

MARBLE FALLS

Independent School District

Meeting Date: 10/19/2026		Date Submitted: 10/9/2026	
Meeting Type: Regular Meeting		Agenda Placement: Public Hearing	
Subject: Public Hearing: Presentation of 2026-2027 Turnaround Plan for Highland Lakes Element			
Executive Summary: Texas schools are required to create improvement plans when they receive ratings of low performance. The purpose of this hearing is to notify the public of the three Marble Falls ISD campuses identified for school improvement: Highland Lakes Elementary School, Marble Falls Elementary School, and Marble Falls Middle School. Administration will review the student performance data that led to the rating of each campus, the improvements required by the Texas Education Agency, the intervention measures or sanctions that may be imposed if performance does not improve within a designated period, and provide an overview of each plan. The plans for each campus will be posted for public comment on the district website. The purpose of the school improvement plans are to ensure that campuses engage in a focused and systematic process to identify the root causes of low performance and implement targeted strategies to improve student outcomes. The TAP and LIP plans promote continuous improvement through regular goal setting, action planning, and progress monitoring. Additionally the improvement plan process provides access to state and district support, helps coordinate resources for improvement, and promotes transparency with parents and the broader school community about how the campuses plan to achieve better academic results. The key components of the plans include a comprehensive school improvement strategy; curriculum and instructional initiatives designed to enhance student learning; job-embedded professional development to build staff capacity and provide ongoing support; clearly defined milestones to guide implementation; a performance management system to ensure fidelity of execution; and the allocation of necessary resources to sustain implementation efforts. Administration will recommend approval of the plans at the regularly scheduled November Board of Trustees meeting.			
Fiscal Impact:	Funding Source:	Fiscal Year:	Ammendment Required?
How will you present this item to the Board? Power Point		Does this item require any documents to be signed by the Board? No	
Administration's Recommendation: This is first read. No action recommended at this time. Administration is required to have the plans posted for public comment. Administration will recommend approval of the plans at the regularly scheduled November Board of Trustees meeting.
