Meeting Type: Regular Meeting		Agenda Placement: Presentation/Discussion Items	
Subject: Possible Purchase of Weight Room Equipment for MFHS Multipurpose Activity Center			
Executive Summary: As part of the 2025 Bond Program, Marble Falls ISD is constructing a new Multipurpose Activity Center at Marble Falls High School, which will include a new weight room designed to support the strength and conditioning programs for our student-athletes. The purchase of weight room equipment is included in the Furniture, Fixtures, and Equipment (FF&E) portion of the project's soft costs within the 2025 Bond Program. Power Lift has provided a comprehensive proposal to furnish and install the equipment necessary to outfit the new weight room. The proposed equipment includes power racks, weightlifting stations, benches, free weights, dumbbells, kettlebells, specialized strength and conditioning equipment, and associated accessories. The proposal also includes customized equipment featuring Marble Falls Mustang branding, along with freight, professional installation, and equipment setup. The total proposed purchase price is \$789,504.58, which reflects a package discount of \$267,815.00. The purchase would be made through BuyBoard Cooperative Purchasing Contract #764-25. Due to the specialized nature of the equipment, the estimated lead time is approximately 20-24 weeks from the date of order. Approval at this time will allow the District to coordinate equipment delivery and installation with the construction schedule of the new Multipurpose Activity Center. Financial Impact: The total purchase price of \$789,504.58 will be funded through the FF&E allocation within the soft costs of the 2025 Bond Program for the Multipurpose Activity Center.			
Fiscal Impact:	Funding Source:	Fiscal Year:	Amendment Required?
One-Time	Bond Funds	2026-27	NO
How will you present this item to the Board? Summary Sheet & Supporting Documents		Does this item require any documents to be signed by the Board? No	
Administration's Recommendation: Move that the Board approve the purchase of weight room equipment from Power Lift in the amount of \$789,504.58, utilizing the BuyBoard Cooperative Purchasing Contract, as part of the 2025 Bond Program.
