

Consider Approval of Proposal to Purchase Components for the College's Datacenter

Staff requests approval of this proposal to purchase components and installation services for the IT Datacenter. Equipment includes replacement of end of life and end of support servers for various projects and temperature and humidity monitoring equipment from vendors Dell Marketing LP (DIR Contract No. DIR-CPO-5792) and Presidio (DIR Contract No. DIR-CPO-5347, Open Market). This is phase one of a multi-phased project. The cost of this phase one purchase is \$40,532.06. This project was approved in the FY '27 Budget and the total cost of all phases of the project will not exceed the budgeted amount. Please note that this project will include multiple vendors, and this purchase will cause the total purchases with the vendor Dell to exceed \$100,000. The source of the funding is the Capital Projects Fund. A breakdown of the cost is as follows.

Vendor/Quotes	Item/Quotes	Funding Sources	Cost
Presidio Contract No: DIR-CPO-5347, Open Market	NetBotz Rack Monitor, Leak Sensor, and Wireless Temperature Monitor	Capital Projects Fund	\$5,231.74
Dell Marketing LP Contract No: DIR-CPO-5792	Dell Servers		\$35,300.32
Total:			\$40,532.06
