CONDITIONS

The terms and conditions of this Agreement shall remain in effect for 20 years from the date of execution by the Sponsor. If the development is land or easement acquisition, then the terms and conditions shall remain in effect for as long as the Sponsor owns this land or easement. The Sponsor will not sell, lease, encumber or otherwise dispose of airport real property, acquired with grant money from the Department, without the Department's approval.

1. The Sponsor will comply with the Department's State Aid Program and all applicable laws and regulations. The current version, dated May 16, 2025, is attached hereto as "Exhibit B" and incorporated herein by reference as of the execution of this State Grant Agreement.
2. The Sponsor will complete the project without undue delay. The project shall be subject to the Department's inspection.

The Sponsor will operate and maintain the airport as a public use facility in a safe and serviceable condition and will not permit any activity thereon that would interfere with its use for aeronautical purposes. The Sponsor is not required to operate the airport during temporary periods when snow, flood or other climatic conditions interfere. The Sponsor will comply with the minimum standards of maintenance and operation set by the Department and the Federal Aviation Administration.
4. The Sponsor will make this airport available as a public use airport on fair and reasonable terms and without unjust discrimination, to all types, kinds, and classes of aeronautical uses. In its operation of the airport, the Sponsor or any person or organization occupying space or facilities thereon will not discriminate against any person or class of persons because of race, color, religion, national origin, sex, handicap, or age and will not discriminate against any employee or applicant for employment based on race, color, religion, sex, age, or otherwise qualified handicapped status.
5. The Sponsor will insert and enforce provisions in any contract or other arrangement that grants a right or privilege to any person, firm or corporation to engage in any activity for furnishing services to the public at the airport. These provisions require the contractor to:

9. The Sponsor will take appropriate action to ensure that the airspace required for airport operations is adequately cleared and protected. The Sponsor agrees, to the best of its ability, to prevent construction, erection, alteration, or growth of any object within or outside the boundaries of the airport which would create a hazard to aircraft operating at or near the airport or otherwise limit the usefulness of the airport. Appropriate actions may include removing, lowering, relocating, marking, lighting or otherwise mitigating existing airport hazards and preventing the establishment or creation of future airport hazards. The Sponsor will, to the best of its ability, arrange for height restriction zoning of the area around the airport as allowed under Nebraska Statutes.
10. The Sponsor will keep a current airport layout plan that has the approval of the Department or the Federal Aviation Administration. The Sponsor will ensure that future development of the airport conforms to this plan.
