RECOMMENDED LEGISLATIVE PRIORITIES

ASSESSMENT & ACCOUNTABILITY

- Broaden the state accountability system to provide a comprehensive view of school quality, balancing standardized assessments with additional meaningful measures of school performance.

SCHOOL FINANCE

- Establish a Fine Arts Allotment within the Foundation School Program to provide consistent funding for the specialized instructional materials, equipment, and rising operational costs of comprehensive arts education.
- Index the Support Staff Retention Allotment to inflation, and transition the funding model to a per-employee allocation to support retention.

DISTRICT OF INNOVATION

- Preserve and maintain District of Innovation flexibilities to ensure independent school districts and locally elected boards can remain responsive to evolving student, staff, and community needs.

NEXT STEPS
