

City of Blair Regular Council Meeting
October 13, 2026

The Mayor and City Council met in regular session in the City Council Chambers on October 13, 2026, at 7:00 PM. The following were present: Gary Banner, Brent Clark, Kirk Highfill, James Letcher, Kent Long, Rick Paulsen, Kevin Willis, and Frank Wolff. Also present were Deputy City Administrator Barrow, Deputy City Administrator Heaton, Deputy City Administrator Scott, City Attorney Talbot, Library Director Lukert, Planning and Zoning Director McFarland, IT Director White, Public Safety & Communications Coordinator Dunn, and Police Chief Kinsey.

The Mayor publicly stated to all in attendance that a current copy of the Nebraska Open Meetings Act was available for review and indicated the location of such copy posted in the room where the meeting was being held. Notice of the meeting was given in advance thereof by publication in the Washington County Enterprise as shown by the affidavit of publication filed in the City Clerk's office. Notice of the meeting was simultaneously given to the Mayor and all members of the City Council, and a copy of their acknowledgement of receipt of notice and the agenda is filed in the City Clerk's office. Availability of the agenda was communicated in the advance notice and in the notice to the Mayor and Council of this meeting. All proceedings hereafter shown were taken while the convened meeting was open to the attendance of the public.

Agenda Items #1, #2, & #3 – The meeting was called to order by Mayor Rump at 7:00 p.m. followed by Roll Call and the Pledge of Allegiance.

Agenda Item #4 – Consent agenda approved the following: 4a) Approval of Minutes of the September 22, 2026 meeting, 4b) Clerk report of Mayoral Action of meeting, 4c) City Department reports for September 2026, 4d) Claims as recommended by the Finance Committee and 4e) Motion to ratify all actions, including the election of the nominees to the LIGHT Board of Directors, of Ben Guhl, our LIGHT representative, identified in the minutes of the Annual Members' Meeting of the League Insurance Government Health Team (LIGHT) on September 25, 2026, and 4f) approval of temporary street closing of South 17th Street between Washington and Lincoln Streets on Wednesday, October 28, 2026, from 4:00 p.m. to 8:30 p.m. for the Police Department's trunk or treat event. Motion by Rick Paulsen, second by Kevin Willis to approve the Consent Agenda. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. Mayor Rump declared the motion carried.

Agenda Item #5 – Martin Pelster, representing applicant MDC Bear Creek LLC, was joined by JP of Bluestem Capital Partners, the district's municipal advisor. They asked the council to form CID 1, the first CID in Blair and in Nebraska under the new act signed by Governor Pillen. CIDs work like SIDs but must lie entirely within a city or village, so the council controls formation. The city keeps its own levy and gains from the increased property value. Public improvements are built to city standards and must be accepted before the city maintains them. The city takes on no debt, which is repaid through the CID levy and special assessments paid by the developer as lots sell. The ordinance must include four items: 1) A property description: lots 100–138 and Outlots A and B, with the plat approved and recorded and improvements nearing commencement, 2) Five trustees, who for now are developer representatives. Control shifts to resident owners over about 6–8 years, 3) A maximum levy of 70 cents, set to stay competitive with typical ~90-cent SID levies after backing out the city levy. Exceeding it would require council approval and 4) A declaration that the CID is duly formed. Deputy City Administrator Scott Staff stressed that taxes levied by the district apply only to the subdivision and not to the rest of the community. Council member Letcher introduced Ordinance 2629

creating Community Improvement District No. 1 within the City of Blair for Bear Creek Subdivision.

AN ORDINANCE OF THE CITY OF BLAIR, NEBRASKA, CREATING COMMUNITY IMPROVEMENT DISTRICT NO. 1 WITHIN THE CITY; DEFINING THE BOUNDARIES OF SAID DISTRICT AND THE PROPERTY CONTAINED THEREIN; AND PROVIDING FOR THE CONSTRUCTION OF IMPROVEMENTS THEREIN CONSISTING OF PUBLIC IMPROVEMENTS SET FORTH IN A SUBDIVISION AGREEMENT.

Council member James Letcher moved that the statutory rule requiring reading on three different days be suspended. Council member Brent Clark seconded the motion to suspend the rules and upon roll call vote the following Council members voted: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. The motion to suspend the rules was adopted by three-fourths of the Council and the statutory rule was declared suspended for consideration of said Ordinance.

Said Ordinance was then read by title and thereafter Council member James Letcher moved for final passage of the Ordinance, which motion was seconded by Council member Brent Clark. The Mayor then stated the question was "Shall Ordinance No. 2629 be passed and adopted?" Upon roll call vote, the following Council members voted: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. The passage of said Ordinance having been concurred in by a majority of all members of the Council, the Council President declared the Ordinance adopted. A true, correct, and complete copy of said Ordinance can be found in the Ordinance Record Book.

Agenda Item #6 – The request to appear before the Mayor and City Council by Huber Holdings, LLC requesting delinquent interest be waived on Special Assessment for Deerfield Addition, Lots 88-107 was withdrawn at the request of Kiley Huber.

Agenda Item #7 – Mike Rooks of Gateway Development explained that VSE will move its roughly 17 employees to the former Design Classics building at 9330 State Highway 133. Design Classics had returned its LB840 commitment. VSE plans to hire 15–20 more people, will close in late October and requested \$200,000 in LB840 funding. Owner Tom Hennene of Omaha is a former Fort Calhoun Nuclear Station reactor operator. He founded the company in 2011 as Calibrated Performance and rebranded it in 2017. It has maxed out its Bennington space. The company makes CNC-machined diesel components, turbochargers, electronics, and patented items, including a fuel system saver, a CCV catch can and the MaxFlow intercooler. A patent is pending for a phone-controlled diesel additive dosing system. The Blair facility will house all-wheel-drive dynamometers, Haas CNC machines, robotics, and a large 3D print farm. It will also have e-commerce shipping and receiving and a showroom, and robotics will allow 24/7 operations. Average pay is about \$100,000, with \$12 million in planned private investment. The \$200,000 goes to building improvements, cutting doors, and moving machinery. Council member Banner asked if any hazardous waste was involved and if so, how it is managed. The 3D printing uses mainly carbon-fiber nylon for prototyping before CNC milling. Hazardous waste is limited to coolants, which are reused, and aluminum shavings are recycled through Lakeside Auto Recycling. Council member Highfill asked when they would be closing on the property. Hennene stated they plan to close October 28, 2026. Council member Paulsen asked if they had reached out to the school to talk about engaging students. He plans to engage the high school and other schools, with a spring ribbon cutting and open house. Shawn Cooper, 2300 College Dr, question if the LB840 funds were a loan or a grant. Rooks said it is a forgivable loan if the job creation is maintained for three years. The Finance Committee noted that \$200,000 is about 1.5% of the investment, with \$1.5–2 million in added payroll

and saw little downside. Council member Banner introduced Resolution 2026-105 approving an LB840 application from VIN Specific Enterprises, LLC to operate an advanced manufacturing company specializing in CNC-manufactured diesel truck components at 9330 State Highway 133, Blair. Motion by Gary Banner, second by Rick Paulsen to adopt Resolution No. 2026-105 as presented. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. Mayor Rump declared the motion carried.

Agenda Item #8 – Ty Hernes, Rescue Captain for the Blair Volunteer Fire Department and Rescue, asked to remove Section 12.1 (Medical Director) from Chapter 12 of the bylaws so the department can compete for a new medical director. This will allow the department to be more competitive. Jennifer Reyzlik, 141 E. Baronage Dr., questioned removing it without a replacement and asked how the position would be funded. The captain stated statute requires a medical director regardless. Most departments pay their directors, and since the director is not a department member, the bylaws cannot be enforced. The department will likely use a compensation contract with defined duties, and the details and budget are still being worked out. The department received about two months' notice that the current director was resigning. The Police and Fire Committee said Blair is the only volunteer department with this in its bylaws and supported this change. Council member Highfill introduced Resolution 2026-106 approving an amendment to the constitution and bylaws for the Blair Volunteer Fire and Rescue Department removing Section 12.1 - Medical Director from Chapter 12. Motion by Kirk Highfill, second by Rick Paulsen to adopt Resolution No. 2026-106 as presented. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. Mayor Rump declared the motion carried.

Agenda Item #9 – Deputy City Administrator Heaton explained the city has long helped the airport informally. The retiring snow-removal operator created a need for a formal arrangement after contractors showed no interest. Mark Wulff, Facilities Director, is being trained by the airport manager Trevor Corey to run the tractor and will be the primary snow-removal point person. Public Works also help with hangar doors blown off, small concrete work, water lines, and tree removal, which is under 2% of crew time. The airport will pay a \$6,500 flat fee, made up of about \$1,500 for Wulff's wages over 5 snow events at 8 hours each and the remainder for other assistance. It will also cover fuel and any equipment damage. The agreement is for one year and begins on October 20 if the Airport Authority approves it. Hours will be tracked to set a more accurate figure, and the fee can be revisited at year end for next year's budget. The airport uses its own snow equipment, and city snow needs remain primary. The mayor said the runway extension would not be done until 2028. Sean Cooper, 2300 College Drive, asked about recouping costs if the fee is exceeded and about airport usage. Deputy City Administrator Heaton stated this is only an estimate and will be reevaluated and adjusted in next year's budget. The Finance Committee recommended approval. Council member Clark introduced Resolution 2026-107 approving an Interlocal Agreement between the City of Blair and Blair Airport Authority for operational and maintenance services at the Blair Executive Airport. Motion by Brent Clark, second by Frank Wolff to adopt Resolution No. 2026-107 as presented. Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted as follows: Yea: 8, Nay: 0.

Agenda Item #10 – Motion by Kevin Willis, second by Brent Clark to receive and place on file the bids for the purchase of a new pick-up truck for the Parks Department. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. Mayor Rump declared

the motion carried. Deputy City Administrator stated the budget set aside \$60,000 for a new truck. The recommendation was an F-250 from Sid Dillon's for \$51,386 plus a \$4,800 flatbed, for a total of \$56,186. The plow was postponed until funds are found later in the year or in the next year's budget. The Finance Committee called it the best value and recommended approval. Council member Clark introduced Resolution 2026-108 approving the purchase of a new pick-up truck for the Parks Department. Motion by Brent Clark, second by Frank Wolff to adopt Resolution No. 2026-108 as presented. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. Mayor Rump declared the motion carried.

Agenda Item #11 – Motion by Kevin Willis, second by Brent Clark to receive and place on file the bids for the purchase of a new police vehicles for the Police Department. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. Mayor Rump declared the motion carried. Police Chief Kinsey requested one police vehicle purchased on state bid through Anderson Ford, Lincoln, for \$46,937, as budgeted. He said outfitting costs, roughly double the vehicle price, will be presented for approval at the next council meeting. The bids were received and placed on file, and the Police and Fire Committee recommended approval. Council member Paulsen introduced Resolution 2026-109 approving the purchase of a new 2027 Ford Police Interceptor SUV for the Police Department. Motion by Rick Paulsen, second by Kirk Highfill to adopt Resolution No. 2026-109 as presented. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. Mayor Rump declared the motion carried.

Agenda Item #12 – Deputy City Administrator Heaton explained that the resolution being presented is a required letter of support for a 100+ page application led by Josh Nichols, Park Department. The budgeted project is \$300,000 with a 50% grant (\$150,000). A precast concept costs about \$185,000. Stick-built and block options are being priced with local contractors. The grant result is expected in late January or early February, and decisions on the building style would come around February or March. Leftover funds could go to path extensions or power upgrades, which Game and Parks said strengthen the application. City crew labor for demolition can count toward the match, and Nichols is pursuing endowment matching funds. Work cannot begin until the award is signed, as happened with the Generations Park grant. The new building would replace the old one at the same location. Council member Clark introduced Resolution 2026-110 supporting an application for Land and Water Conservation Fund Grant assistance for the construction of a restroom and shower facility at Bob Hardy RV Park. Motion by Brent Clark, second by Gary Banner to adopt Resolution No. 2026-110 as presented. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. Mayor Rump declared the motion carried.

Agenda Item #13 – City Attorney Talbot stated that the city was sued in small claims over a 2023 water damage of about \$6,000, and no claim had been presented. The city code had no definitive claim period, while state statute requires a claim within 90 days. The ordinance adds the 90-day period, and the attorney asked that the last sentence (about recovery of costs) be struck because it belongs under a different statute. Council member Wolff introduced Ordinance 2631 amending Chapter 1, Article 9 of the Blair Municipal Code by amending Section 1-914 in reference to Fiscal Management: Claims.

AN ORDINANCE AMENDING CHAPTER 1, ARTICLE 9, SECTION 1-914 OF THE MUNICIPAL

CODE OF THE CITY OF BLAIR, NEBRASKA IN REFERENCE TO FISCAL MANAGEMENT: CLAIMS; REPEALING ALL ORDINANCES IN CONFLICT HEREWITH AND PROVIDING WHEN THIS ORDINANCE SHALL BE IN FORCE AND EFFECT AND PROVIDING FOR PUBLICATION OF THIS ORDINANCE IN PAMPHLET FORM.

Council member Frank Wolff moved that the statutory rule requiring reading on three different days be suspended. Council member James Letcher seconded the motion to suspend the rules and upon roll call vote the following Council members voted: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. The motion to suspend the rules was adopted by three-fourths of the Council and the statutory rule was declared suspended for consideration of said Ordinance.

Said Ordinance was then read by title and thereafter Council member Frank Wolff moved for final passage of the Ordinance, which motion was seconded by Council member James Letcher. The Mayor then stated the question was "Shall Ordinance No. 2630 be passed and adopted?" Upon roll call vote, the following Council members voted: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0. The passage of said Ordinance having been concurred in by a majority of all members of the Council, the Council President declared the Ordinance adopted. A true, correct, and complete copy of said Ordinance can be found in the Ordinance Record Book.

Agenda Item #14 – Deputy City Administrator Scott introduced and welcomed Jake Conn as the city's new Deputy City Clerk.

Agenda Item #15 – Motion by Gary Banner, second by Kent Long to adjourn the meeting 8:04 p.m. Council members voted as follows: Gary Banner: Yea, Brent Clark: Yea, Kirk Highfill: Yea, James Letcher: Yea, Kent Long: Yea, Rick Paulsen: Yea, Kevin Willis: Yea, Frank Wolff: Yea. All Council members voted: Yea: 8, Nay: 0.

The following claims were approved: Aaron Barrow, Reimb 233.01; Abe's Trash Svc, Svc, 2767.10; Access Technologies Inc, Inv, 155.34; Acco, Inv, 3378.21; Aflac, Ins, 1540.00; Air Products & Chemicals, Inv, 4924.46; Amazon Sales Inc, Inv, 2601.32; American Underground Supply, Inv, 27570.39; Anchor Roofing & Landscaping, Inv, 50.00; Arp Farms Inc, Inv, 500.00; Arps Red-E-Mix Inc, Svc, 1163.75; Assethr, Pysl, 264142.47; Automatic Systems Co, Svc, 1785.56; Babkel Mechanical, Svc, 21314.60; Baird Holm Llp, Svc, 22039.50; Bart Moore Subcontracting Inc, Ref, 350.00; Benchmark Government Solutions, Llc, Inv, 59.75; Benjamin Guhl, Reimb, 245.40; Bi-State Motor Parts, Inv, 2521.68; Blair Ace Hardware, Inv, 764.74; Blalock, Kayli, Inv, 46.40; Blaze Publications Inc, Inv, 167.50; Bles Construction, Inv, 500.00; Bobcat Of Omaha, Inv, 701.74; Bomgaars Supply Inc, Inv, 174.32; Brandi Lee Bjork, Reimb, 65.25; Brenda Wheeler, Reimb, 217.31; Cada, Erika L Revocable Trust, Ref, 50.00; Calvin Poulsen, Svc, 3087.50; Cargill Inc, Ref, 500.00; Carquest Auto Parts, Inv, 450.17; Cdw Government Inc, Inv, 1077.97; Charles Hine, Inv, 200.00; Chris Olson, Svc, 1000.00; Cintas Corporation, Svc, 7448.88; City Of Blair, Inv, 144.96; Cline Williams, Svc, 1600.00; Core & Main Lp, Inv, 6226.17; Country Tire Inc, Inv, 1096.94; Cummins Inc, Inv, 662.65; Danko Emergency Equipment Co, Inv, 11110.74; Deborah Wood, Svc, 400.00; Dick's Electric Co, Svc, 26517.09; Dugan, Michael, Ref, 50.00; Eakes Office Plus, Inv, 2148.20; Ecolab, Inv, 69549.00; Ed M Feld Eq Co., Inv, 9488.24; Ehrhart Griffin & Associates, Inv, 3309.65; Electric Pump, Inv, 1027.93; Eriksen Construction, Ref, 50.00; Eriksen Construction Co Inc, Svc, 197127.90; Fairway Oil Co, Inv, 23.55; Felsburg Holt & Ullevig, Inv, 20224.98; First Wireless Inc, Inv, 1404.52; Firstnet At&T Mobility, Inv, 237.14; Fuchs Works Llc, Inv, 700.00; Governmentaljobs.Com, Inc, Inv, 10737.30; Grainger, Inv, 74.50; Great Plains Council Meeting October 13, 2026
