Background Information

What is CACR?

- New Name: Passed by the Minnesota Legislature, CACR replaced the former World's Best Workforce (WBWF) framework (Minnesota Statutes, section 120B.11) starting with the 2024–25 school year.
- Core Purpose: It focuses on supporting pre-K through grade 12 academic achievement while preparing students to be active, engaged community members after graduation.
- Oversight: The initiative is guided by the Minnesota Department of Education.

The 5 Core Goals of CACR
School districts must create and report on long-term strategic plans targeting these five goals:

1. All children are ready for school.
2. All racial and economic achievement gaps between students are closed.
3. All students are ready for career and college.
4. All students graduate from high school.
5. Prepare students to be lifelong learners.
