Item Title: Approval of Library Materials X Action
for Purchase in Compliance with Information
Senate Bill 13 Discussion

BACKGROUND:

In accordance with Senate Bill 13 (89th Legislature) and BISD Policy EFB(LOCAL), proposed library materials require Board approval in an open meeting following a 30-day public review period. The district posted the proposed list on its Professional Development, Library Services, and Print Shop website on September 4, 2026, with a "Submit Public Comment" Google Form for parent and community feedback. No titles were challenged during the public review period.

Librarians vetted the materials for compliance with state law, Texas State Library and Archives Commission standards, and district policy.

FISCAL IMPLICATIONS:

Purchases will be funded through campus library budgets. Final costs will depend on vendor pricing and campus orders and will not exceed budgeted allocations.

RECOMMENDATION:

Approve the proposed library materials for purchase, as submitted, in accordance with Senate Bill 13 and BISD Policy EFB(LOCAL).

Approved for Submission to Board of Education:
