

Brownsville Independent School District

Agenda Category: Conference Presentation Board of Education Meeting: 11/02/26

Item Title: Recognition of the 2027 National Merit
Scholarship Recipients X Action
Information
Discussion

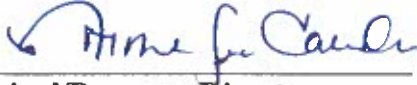

BACKGROUND:

Brownsville ISD proudly recognizes the following Veterans Memorial Early College High School students who have been named Commended Students in the 2027 National Merit Scholarship Program.

This prestigious academic recognition is awarded by the National Merit Scholarship Corporation to students who demonstrate exceptional performance on the PSAT/NMSQT. Commended Students are recognized for achieving scores that place them among the top-performing students nationwide.

Being named a National Merit Commended Student is a significant academic achievement and reflects a student's dedication to learning, academic excellence, and commitment to reaching their educational goals. These students have distinguished themselves through their strong academic performance and are representative of the high level of achievement demonstrated by students at Veterans Memorial ECHS.
