CHELSEA SCHOOL DISTRICT
Board of Education Report

Chelsea High School

November 2026

CURRENT HIGHLIGHTS:

- ☐ Yearbook and Newspaper students traveled bright and early to Lansing on October 13th for the annual MIPA Journalism conference. Our Bulldog journalists were among the 800+ student journalists in attendance learning how to bring the best yearbook coverage and news to our school!
- ☐ Our music department did a wonderful job with their fall concerts. Our choir, band and orchestra concerts were well attended and a great display of hard work and dedication. We are especially thankful for our long term subs, Megan Stetson and Anthony Reyes filling in for some of our music staff. These two jumped right in to ensure our students and families had the best experience possible.
- ☐ Congratulations to the Chelsea Theatre Guild's production of "The Prom". This fall musical was directed by Rachel Slupe and included 47 students that showcased their talent as cast members, crew members and instrumentalists.
- ☐ October was a fun month filled with homecoming activities, spirit weeks with high levels of staff and student participation, all ending with a great showing of fall and halloween spirit around the building.

LOOKING AHEAD:

For November:

- ☐ We will host our NHS induction ceremony and Academic Letter ceremony on November 11th. These ceremonies will be held back to back with refreshments provided to families in between ceremonies. For our academic letter ceremony, we are honoring 131 first year recipients, 102 second year and 61 students earning the distinction for the third year. Additionally, for the 2026-2027 year, we have invited 47 juniors and seniors to join the Chelsea High School National Honor Society Chapter.
- ☐ We invite everyone to join us on November 7th for the Chelsea House Orchestra on November 7th. CHO is celebrating 30 years of fiddling for our Hometown Show.

Respectfully Submitted,
Amanda Clor
