PURPOSE

To provide the Board of Trustees and the community with an update on partnerships in Spring Branch ISD now and for the future.

OVERARCHING BELIEF, VISION & GUIDING PRINCIPLES

Overarching Belief, Vision & Guiding Principles

We believe:

SBISD, our schools and our communities are inextricably linked, with each dependent upon the success of the other.

Our vision:

SBISD, and every SBISD school and program, will have the strategic partners needed to provide the unique supports crucial to the success of its students, staff and community.

Overarching Belief, Vision & Guiding Principles

Our Guiding Principles:

- Everything starts with relationships!
- We cannot achieve T-2-4 alone
- Partnerships must be a win-win
- Everyone benefits from the #CollectiveGreatness and #CollaborativeSpirit of our partners

Alignment of Needs and Priorities

- Annual conversations identify needs and priorities.
- Partners align supports to needs:
 - Time
