EARLY GRADUATION

The Board will authorize early high school completion in order to meet career goals for selected students. Students desiring early graduation must submit a written request to the high school principal during the first half of the semester preceding the semester of desired completion. The principal may accept requests after this date in special circumstances. ~~The request must contain the reasons for the request (one hundred fifty [150] word minimum) and the written approval of the student's parents or guardian. Students with a grade-point average (GPA) lower than two and one-half (2.5) may be subject to additional justification, as determined by the Board. All graduation requirements must be met by the early completion date.~~ The request must contain the reasons for the request and the written approval of the student's parents or guardian. All graduation requirements must be met by the early completion date.

~~The Superintendent will establish procedures, including the use of a standardized form, to evaluate each request and will ensure that the parents or guardian are informed of any restrictions or limitations to be placed on the student in the event the request is approved, including restrictions on cocurricular activities. The applying student and respective principal will present the request at a regular Board meeting.~~

The Superintendent will establish procedures to evaluate each request and will ensure that the parents or guardian are informed of any restrictions or limitations to be placed on the student in the event the request is approved, including restrictions on cocurricular activities.

Diplomas normally will be awarded only at the completion of the spring semester. However, final transcripts will be provided as soon as the high school requirements have been met.
